User Manual

Applying to a University in Jordan using the website:

Before you start:

- Make sure you have an active e-mail account. You will need to access your e-mail to confirm your account. The Website will also use the e-mail address you submit in further communications regarding your future applications to Universities.
- It is better to keep the information you submit up-to-date such as your contact details and address.

First: Creating a new account:

- Visit the [apply now](#) section in the website.

- Choose [Sign up for Your New Account](#).
- Fill out your name (first, middle and family name).
- Specify gender.
- Specify country of origin.
- Choose an existing e-mail address and confirm your e-mail.
- Submit the information for your new account.
